Come and listen won't you brother have you heard or
don't you know
There's a train that's bound for Glory will you ride it
when it goes
Have you made all preparations reservations are
complete
When you hear that whistle blowing will you be there at
your seat
Has your ticket yet been purchased for that Glory
bound train
Oh will you ride oh will you ride will you ride that train to
Glory by and by
[guitar]
All the headlights will be gleaming Jesus is the
engineer
Will you ride that train to Glory or will you linger here
When these golden bells start ringing when he calls us
all aboard
Will you have your ticket ready for your Saviour and
your Lord
Has your ticket yet been purchased...
[mandolin]
When through space we will be traveling leave this
wicked world of hate
Then we'll know our destinations just beyond those
perly gate
There we'll know there'll be no sorrow and no hurt we'll
not adore
We shall dwell within his kingdom buy your ticket and
be pure
Has your ticket yet been purchased...
[steel]
When you hear it in the distance hear it's mighty
drivers roar
Just a little while to tarry then we'll walk those streets of
gold
Will those loved ones who have journeyed just a little
while ago
Meet you there at heaven's station when the last lone
whistle blow
Has your ticket yet been purchased...
