Oh my brother take this warning don't let old Satan
hold your hand
You'll be lost in sin forever you'll never reach the
Promised Land
The old crossroad now is waiting which one are you
goin' to take
One reach down to destruction the other to the perly
gate
[fiddle]
One road leads up to heaven the other goes down
below
Jesus our Saviour will protect you he'll guide you by the
old crossroad
The old crossroad now...
[mandolin]
Soon your life will be over you'll have to face the old
crossroad
Will you be ready then my brother to shine the ones
those down below
The old crossroad now...
