Five miles deep under wa-ater  
You hear their voices si-ing  
Surely that must be to every man  
A most fantastic thing

Five miles dee-eeep under wa-ater  
You can hear them singing, yeah-eah  
Calling, calling

Put away the harpoon gun  
You don't need it anymore-ore  
All we have for a memory  
Is bones washed on the shore

And five miles dee-eeep under wa-ater  
You can hear them singing  
Calling, calling, hear 'em calling, hear 'em ca-alling  
Five miles deep under wa-ater  
You can hear 'em sing  
Calling, it's a most fantastic thing

Tell me how did we get this far  
Are we allowed to lose  
Does it come to late we realise  
We've lost the chance to choose

Five miles dee-eeep under wa-ater  
You can hear them singing  
Calling, calling, calling, hear them, ca-alling  
Five miles deep under wa-ater  
You can hear them sing  
Five miles deep under wa-ater  
Calling, it's a most fantastic thing  
Hear 'em calli-ing, ca-alling

Do you hear the-em... si-ing  
Five miles deep under wa-ater  
Five miles deep under wa-ater  
Calling, it's a most fantastic thing  
Five miles deep under wa-ater  
Five miles deep under wa-ater
