(Verse)

Alone, I want to feel my life from home  
I've Shared, the only dream I've never made

(Chorus)

Release the pressure from my brain  
My eyes can see, I can't believe  
Lord I'm free, free  
Yes I'm free  
Yes I'm free  
Lord I'm free

(Verse)

I hold, the only dream that's held up high  
Escape, the feeling inside my mind

(Chorus)

Release the pressure from my brain  
My eyes can see, I can't believe  
Lord I'm free, free  
Yes I'm free  
Yes I'm free  
Lord I'm free

(Interlude)

Torn and I feel like it boils in...  
Yes I'm torn and I feel like it boils in me

(Bridge)

Awake I see them up above  
Alone I cannot be the one  
Awake I see them up above  
And alone I cannot be the one
