I... I'm all alone  
Went, and with the only thing that's wrong or wrong  
No... no place to be  
Everything is here, eyes cannot believe  
Home Again  
I'm here today  
Home Again  
I'm here today  
I... I came to please  
Everything I said, I wept on my knees  
You... you hold the hand  
It's the hand that feeds the mouth  
I wish you'd understand  
Home Again  
I'm here today  
Home Again  
I'm here today  
(Interlude)  
Home Again  
I'm here today  
Home Again  
I'm here today  
Home Again  
I'm here today  
Home Again  
I'm here stay
