Don't you think about the times we had, when I'm
dreaming of you
Don't you keep yourself away from me, when I'm
turning to you

Go out and reach for what you want, just yell and
scream, oh don't you
You wait for it to grab your heart, fall in my arms, my
hands and I'm...

Go out and reach for what you want, just yell and
scream, oh don't you
You wait for it to grab your heart, fall in my arms, my
hands and I'm...

I'm waiting for the real dream, now I'm singing, I'm
shaking, I'm alive
I'm waiting for the real dream, now I'm singing, I'm
shaking, I'm alive

Yeah, don't you remember times were always fine
when I'm drinking to you
Don't you hide your soul, you only know when I'm
thinking of you

Go out and reach for what you want, just yell and
scream, oh don't you
You wait for it to grab your heart, fall in my arms, my
hands and I'm...

Go out and reach for what you want, just yell and
scream, oh don't you
You wait for it to grab your heart, fall in my arms, my
hands and I'm...

I'm waiting for the real dream, now I'm singing, I'm
shaking, I'm alive
I'm waiting for the real dream, now I'm singing, I'm
shaking, I'm alive

(Solo)

Don't you bend your eyes when I'm of thinking of
calling your name
Well don't you cry aloud within your head when I'm
looking at you

... And I'm...

I'm waiting for the real dream, now I'm singing, I'm
shaking, I'm alive
I'm waiting for the real dream, now I'm singing, I'm
shaking, I'm alive

I'm waiting for the real dream, now I'm singing, I'm
shaking, I'm alive
I'm waiting for the real dream, now I'm singing, I'm
shaking, I'm alive
