(Verse) And there's people, how they say  
Show their faces, but they have no name  
And there's colors, all with red white and blue  
The only color is me and you

(Chorus) While I'm away, what will they say?  
While I'm away, while I'm away

(Verse) Faithful, how they cry  
Cause you're laughing  
Well I wonder why

(Chorus) While I'm away, what will they say?  
While I'm away, while I'm away

(Verse) People, how they say  
Show their faces, but they have no name

(Chorus) While I'm away, what will they say?  
While I'm away, while I'm away

(Bridge) We're driving down the road  
Yes I've seen it here before  
Knock down the open door, yeah  
People come and go... I know  
They will never see the light  
Close the door and say good night, yeah

Oooh... ooooooh

(Verse) Faithful, how they cry  
Cause you're laughing  
Well I wonder why

(Chorus) While I'm away, I'm away  
While I'm away, I'm away  
While I'm away, I'm away  
While I'm away, I'm away  
... I'm away

(Outro)

People... are they sane?
