(Verse)

My life has been a mystery  
Because of misery I seek  
Since I've been grown to be proud away  
Voices are ringing aloud everyday

(Chorus)

And we'll keep the people laughing  
And we'll keep the world a smiling  
And we're watching the moon and the sun  
And we'll keep the people together as one

(Verse)

Since I've seen shadows in the room  
The lights are dimming, they're dimming real soon  
Staying awake my eyes they're growing long  
Think I've done things right but they seem so wrong

(Chorus)

And we'll keep the people laughing  
And we'll keep the world a smiling  
And we're watching the moon and the sun  
And we'll keep the people together as one

(Verse)

My life has been a mystery  
Because of misery I seek  
Since I've been grown to be proud away  
Voices are ringing aloud everyday

(Chorus)

And we'll keep the people laughing  
And we'll keep the world a smiling  
And we're watching the moon and the sun  
And we'll keep the people together as one... as one
