(Verse) I wanna move in slow motion, yeah, yeah  
Wanna walk, talk, sleep, creep down to the next room,  
yeah, yeah  
Wanna realize  
Get by with who? With me? With me, with you, yeah

(Verse) I wanna move in slow motion, yeah, yeah  
Wanna walk, talk, sleep, creep down to the next room,  
yeah, yeah  
Wanna realize  
Get by with who? With me? With me, with you, yeah

(Chorus) And once there was a time when everyone  
was  
Standing around, sliding around, playing around

(Verse) Hey move in slow motion, yeah, yeah  
Wanna walk, talk, sleep, creep down to the next world,  
yeah, yeah  
Wanna realize  
Get by with who? With me? With me, with you, yeah

(Chorus) Once there was a time when everyone was  
Standing around, sliding around, playing around, hey  
move in slow motion

(Breakdown)

(Verse) I wanna move in slow motion, yeah, yeah  
Wanna cry, fly, ride high, down to the next dream  
yeah, yeah  
Wanna scream, Mr. Bean. With who? With me, way out,  
go shout

(Chorus) And once there was a time when everyone  
was  
Standing around, sliding around, playing around

(Verse) I wanna move in slow motion, yeah, yeah  
Wanna walk, talk, sleep, creep down to the next room,  
yeah, yeah  
Wanna realize

Get by with who? With me? With me, with you, yeah

(Chorus) Once there was a time when everyone was  
Standing around, sliding around, playing around, hey  
move in slow motion
