(Verse) She said, yes there are two worlds  
But in this world belong you and everyone except for  
me  
There are seasons, for a reason  
That's when you built the trust, you claim the whole  
world simply as you recall  
There's a crack, well it's on the sidewalk  
Don't keep your feet straight, just rely on me to keep  
your mind free  
There's a weather, it's a rainy weather  
Oh, when the sun's out it's called Shining Rain!

(Chorus) Oh, and it can be  
Oh, and it can be

(Verse) Holding, and you hold me down now  
If you release me, I'll take back the time that I put in,  
yeah  
Stop the crying, just put the phone down  
Just need to tell you one more time, I'll take the truth,  
stop lying  
You're finally here now, well it's in your eyes, yeah  
The most redundant blue that tears my soul and falls in  
you, yeah  
There's a weather, it's a rainy weather  
Oh, when the suns out it's called Shining Rain!

(Chorus) Oh, and it can be  
Oh, and it can be  
Oh, and it can be

(Solo)

Shining Rain, Shining Rain!
