(Verse)

When the time is alright again  
I can feel the water, it's raining on my lifeless skin  
Never mind when you're feeling low  
I can mend your mind, throw a patch on your open soul

(Chorus)

I believe I'll be saved by you  
I, I will see it through

(Verse)

Clock is three when my night begins  
There'll be changes when, and my soul is all alone  
again  
You should stay 'cause I'm never around  
My heart holds the key  
To release my soul and set me free

(Chorus)

I believe I'll be saved by you  
I, I will see it through  
I believe I'll be saved by you  
I, I will see it through

(Bridge)

Oh, I'm away (I'm away, I'm away)  
Oh, I'm away (I'm away, I'm away)

(Interlude)

(Bridge)

Oh, I'm away (I'm away, I'm away)  
Oh, I'm away (I'm away, I'm away)
