You look at me as if you wanna kill me  
I look at you as if I was bored  
You dance to me as if you were a porno star  
I look at you as if you were a rocket through me

Whatever you want me to say I won't  
Whatever you want me to do I won't  
I love you but I don't

You look at me as if I was the summer  
I look at you as if you were the winter cold  
You talk to me as if I didn't warn you  
I talk to you as if I was so bold

Whatever you want me to say I won't  
Whatever you want me to do I won't  
I love you but I don't

But you can reach me when you want (I won't)  
'Cause I love you but I don't
