I know great distance still remains
Between us
But there's good reason to hold on

It's the happiest time of the year
Filled with laughter and good cheer
As you watch the snow
Sweet love you'll hear me say

You've got my heart on Christmas
Inside my soul your love remains
Love's in our hearts
On Christmas day

The days and weeks and months go by
So slowly
We are both wishing them to fly

As the night begins to fall
Twilight crowns the bedroom cheer
Such a rush of joy, your love, it comforts me
And I do believe

Loves in our hearts on Christmas
Though far apart as one we pray
Loves in our hearts
On Christmas day

Snowflake melts in your eye and turns to tear
But you cheek it stays dry with your warm smile so near
I have no fear
We're gonna make it

Loves in our hearts on Christmas
Though far apart as one we pray
Loves in our hearts
On Christmas day

Loves in our hearts on Christmas
Though far apart as one we pray
Loves in our hearts
On Christmas day
