We went out, you and me, kinda like  
Perfect, like it was mean't to be  
But you're not sayin' much  
Where you at? Not around  
You're lookin' right through me  
Saw your eyes take a trip, goin' south  
She replied, made a bump in your zip  
Don't you try, to hide, this time, uh-huh  
'Coz you're diving into trouble  
And you're deeper than you think  
But baby this time I'm gonna let you sink  
(chorus)  
As soon as I blink, you're playin' around  
(A-ha, you're guilty)  
It's makin' me think, you're not the man  
'Coz you're dissin' me, p\*\*\*\*\* me off  
Blink! You're playin' around  
(A-ha, so filthy)  
I think you're goin' down  
All I gotta do is blink  
So what's she got, that I have not

Spit it out, are you tellin' me she hits that spot

Is it her hips, maybe her lips

I gotta know, could it be the nails on her fingertips

Do they scratch, when you say that

Listen up baby, now don't you give me that c\*\*\*

You wanna play, OK, you outta my game, uh-huh

'Coz you're divin' into trouble

You've been talkin' in your sleep

But this time I'm gonna let you sink

(chorus)

As soon as I blink, you're playin' around

(A-ha, you're guilty)

It's makin' me think, you're not the man

'Coz you're dissin' me, p\*\*\*\*\* me off

Blink! You're playin' around

(A-ha, so filthy)

I think you're goin' down

All I gotta do is blink

I can't forgive infidelity

I thought we had infinity

I can't forgive infidelity

I thought we had infinity

(chorus)

As soon as I blink, you're playin' around

(A-ha, you're guilty)

It's makin' me think, you're not the man  
'Coz you're dissin' me, p\*\*\*\*\* me off  
Blink! You're playin' around  
(A-ha, so filthy)  
I think you're goin' down  
All I gotta do is blink  
As soon as I blink, you're playin' around  
(A-ha, you're guilty)  
It's makin' me think, you're not the man  
'Coz you're dissin' me, p\*\*\*\*\* me off  
Blink! You're playin' around  
(A-ha, so filthy)  
I think you're goin' down  
All I gotta do is blink
