If you leave, I'll be sad,  
Don't you remember the love that we had,  
When I see your face, feel you warm embrace,  
I, feel, I'm in heaven.

(Woh woh) I call your name, and I see you there,  
I reach out for you, feel your warm loving hair,  
When I hold you close, I feel like my most,  
And that's when I know I'm in heaven.

Don't you know that,  
I, need your loving baby,  
But you refuse to give an answer,  
Not even a maybe,  
So I have to be strong,  
And try to hold on,  
Cause I know I'll hold you again in heaven.

Hold my hand, don't let go,  
Wanna tell you, just need you to know,  
When you pass me by, all I do is smile,  
And that's when I know I'm in heaven.

Don't you know that,  
I, need your loving baby,  
But you refuse to give an answer,  
Not even a maybe,  
So I have to be strong,  
And try to hold on,  
Cause I know I'll hold you again in heaven.

Draw me close, hold me near,  
Say the words, say the words,  
I need to hear.  
Your shining smile, drives out the rain,  
Your gentle touch melts all my pain.

(Hey hey yeah)  
(Love for my baby)  
(Love for my babe)  
(Huh huh huh)  
I need you, wanna hold you,

Do you feel it, the way that I do,  
The sun in my sky, the men in my life.

Don't you know that,  
I, need your loving baby,  
But you refuse to give an answer,  
Not even a maybe,  
So I have to be strong,  
And try to hold on,  
Cause I know I'll hold you again in heaven.

So let me show you the way to heaven,  
and I'll hold you again.
