Well I saw you there  
Just the other day  
You smiled at me  
In a secret way

So I let you in  
And you captured me  
I'm your prisoner  
That's what I wanna be

When it feels like its love  
All the stars lift you up  
Well Ill place you high above  
on top of the world  
I'm just glad that I found you

Like a thief you came  
to steal my heart  
I'll surrender now  
Cause you broke my guard

Such a pretty face  
It warms my soul  
And you sweet blue eyes  
they shine like gold

When it feels like its love  
All the stars lift you up  
Well Ill place you high above  
on top of the world

And you know it must be right  
Cause its burning up inside  
I can feel it in your eyes  
I want you to know  
I'm just glad that I found you

When it feels like its love  
All the stars lift you up  
Well Ill place you high above  
on top of the world

And you know it must be right  
Cause its burning up inside  
I can feel it in your eyes  
I want you to know

When It feels like its love  
All the stars they lift you up  
Well I'll place you high above  
On top of the world

I'm so glad that I found you x3
