Holding On And Letting Go

Is anybody out there?

Is anybody listening?

Does anybody really know if its the end of the beginning?

The quiet rush of one breath

Is all we're waiting for

Sometimes the one we're taking

Changes every one before..

[Chorus]

It's everything you wanted, it's everything you don't

It's one door swinging open and one door swinging closed

Some prayers find an answer

Some prayers never know

We're holding on and letting go

Sometimes we're holding angels

And we never even know

Don't know if we'll make it,

But we know,

We just can't let it show

[Chorus]

It's everything you wanted, it's everything you don't

It's one door swinging open and one door swinging closed

Some prayers find an answer

Some prayers never know

We're holding on and letting go

Yeah, letting go

It's everything you wanted, it's everything you don't

It's one door swinging open and one door swinging closed

Some prayers find an answer

Some prayers never know

We're holding on and letting go

[Chorus]

It's everything you wanted, it's everything you don't
It's one door swinging open and one door swinging closed
Some prayers find an answer
Some prayers never know
We're holding on and letting go.

It's everything you wanted, it's everything you don't
It's one door swinging open and one door swinging closed
Some prayers find an answer
Some prayers never know
We're holding on and letting go
