We've come through some tough times
But we've come through them together,
All of us from every race, every religion and ethnic
background.
All that we've done and all that we mean to do
Is to make this country freer still.
America's future rests in a thousand dreams inside
your hearts.
It rests in the message of hope in songs of a man
So many young Americans admire.

Live from the West Side Los Angeles
Yelling to the Lower East Side tenements
Who am I to criticize politics and yet glorify drugs and
sex?
Well I'm the next evolution of the revolution
Fighting those over thirty and the institution
This musician's contribution is
A rendezvous for the new revolutionist
This new revolution is
Whatever it is
