family that adopted me in, and since i live for the
underground it all fit in, i cant explain all the power that
the carnival brings or the energy from yall when the
hatchet swings, all i know is that im stayin cuz thats
where i belong, dark lotus on my wrists until im dead
and gone

(violent j)

if it wasnt for shaggy my shirt would still be baggy, i
wouldnt be fat, id still be hungry and crabby, we used
to buy our own records at the store, so they would think
its a hot seller and order more, but we built a team
killas with the same dream, but we couldnt reach the
top we stayed b level like charlie sheen, we finally
realized that well always have the juggalos, ill never
give another second to them other hoes

(chorus)x3
