[barking]

Pain is sexual

And I'm horny, I'm horny, horny

[Violent j:]

I jump in the mosh pit, but I'm alone

Between 4 trees I get it on

My brain is hemorrhaging, it's them or me

It ain't easy knocking over a tree (I pass out)

I wake up the room is padded

It would appear I've had it

But hold up

Close rip, wrap them around my neck

And choke myself to death, no breath

Now I'm out, I'm strapped down

Wait, I can still move my head around

I got about 4 inches between the back of my head

And the metal gurney bed

BOOM!

Slamming it, Retractions

BOOM!

I feel the back of my skull is cracking

BOOM!

A broken bone is piercing my brain

And oh, I just hammered it in...

Ahhhhh

Ahh I hurt myself

God I hurt myself

Stop me

Pain, pain

Stop me

[Monoxide Child:]

I'm sitting in the dark, talking to myself

Why does everybody tell me that I need help?

I'm in love with pain

I take a needle or a knife

And drive the mother fucker through my windpipe

Just might

Take a razor blade

Dip it in some gas
See if I can take a little skin of the calf
Grotesque I'm a walking body bag
And when it all heals I'll pick the scabs

[Blaze Ya Dead Homie:]

Alone in the casket, buried in the earth
Self-inflicted wounds, blood stain on my t-shirt
Kick out the door till my legs fall off
Try to use my head my skulls to soft
The pain overwhelms shooting through my kidneys
Blood rushes out when I stick a shank in me
Keep stabbing and sticking
And pulling all the blood spitting
And I cut off the oxygen
And take my life again

[Chorus:]

Why, tell me why
Do you hurt yourself, when you know I love you
AH STOP ME!
Why, tell me why
Do you hurt yourself, when you know I love you
AH STOP ME!

[Anybody Killa]

Do you wanna die? Do you need my help?
Is it self-mutilation that your bringin on yourself
went through the same situtation one year ago
I guess that explains all the scars on my throat
why you still breathing? are you still alive?
escapin from the demons you had locked inside
you that suicidal? then come and play my game
one gun, one bullet, empty room with no pain (gunshot)

[Shaggy 2 Dope:]

A layer of skin ohhh, I pull it back
And smooth it back down with one simple smack
(OUCH)
Wednesday nights I got kicked off my bowling league
Just cause I show up bite a bowling ball and leave
Yea go ahead and curse me you faggots
So I throw my legs onto a moving cars, you got your
habits
I don't consider it hurting myself, it brings me joy
Now shut the fuck up here
Batter up UHHHHAHHH!

[Jamie Madrox:]

Cut and slice away with a steak knife
Hit myself in the ankle with a PVC pipe

Exacto blade underneath the fingernail
Bleed and make another cut, fucking might as well
Tablespoon of Morton's salt pour it on the wound
If it don't burn you don't know what your doing
If you fail just return to start
Self defecation is a beautiful art

[Chorus]
STOP ME!!
STOP ME!!
pain is sexual
[Chorus]
pain is sexual
STOP ME!
