[Violent J:]

And they wanted to know if I would trade 10 juggalos
for a 100 mainstream fans And I said I wouldn't trade
10 juggalos for a 100, 000 mainstream fans 10
juggalos is priceless

[Blaze Ya Dead Homie:]

I gots love for my homies, members of the Lotus
United we stand, squashing all deadly forces
Been to hell, could of spent eternity there
All the bad shit I've done, I should still be there
Juggalos can ya feel me, feel me, worldwide,
worldwide
Running with the hatchet straight out the Lotus Pod
Always got your back till end screaming juggalos
Dark lotus, psychopathic that's the way you go

[Monoxide Child:]

So many people in the matrix die alone, hey
Not me, my soul belongs to juggalos, they
Keep me going when I'm down and out
I pick up the phone drop them a line and here them
shout
Saying Twiztid is the shit, and I'm down with the clown
Dark Lotus for life until I'm dead in the ground!
I give a dap to all my homies and killas who get it
started
All my juggalos always represent for the departed

[Chorus:]

Mass murder makes me happy
Dead bodies make me happy
Say what you will of me
I'll always have juggalo family
Mass murder makes me happy
Dead bodies make me happy
Say what you will of me
I'll always have juggalo family

[Shaggy 2 Dope:]

6 individuals pedals formed from 1 stem
Who try to run away and don't follow any trends, no

friends
Cause we ascend from the same dirt, filth, grit, and
grime
And combine Juggalo minds to crush Mainstream
shrines
What's yours is mine and what's mine is yours
Let the wagons of the Dark Carnival show you different
worlds
Any hoes front a juggalo or the hatchet
Tell 'em come suck on your dick, BITCH we
psychopathic [bitch in background]

[Jamie Madrox:]
All my life I've been living it all alone
I'm like a king with no people and no crown or a throne
And what I'm speaking on is what I'm feeling like
Do you know what it's like to feel the warmth of the
sunlight
I'd really like to know cause I've been chilling in the
dark
For so many years that I question love in my heart
I hate everyone, and I hate everything
Except for all the juggalos and all the love that they
bring

(Chorus)

[Anybody Killa:]
If it wasn't for the juggalos, I don't know
Probably robbin' everybody in the world, fo' sho'
So thankful for the family that adopted me in
And sense I live for the underground it all fit in
I can't explain all the power that the carnival brings
Or the energy from y'all when the hatchet swings
All I know is that I'm stayin' cause it's where I belong
Dark Lotus on my wrists 'til I'm dead and gone

(Marz)
Let me get your ear, I'm make myself clear
It's the L Family, Juggalos ride chair
You could take away my mic, you could take away this
life
But the love that we got, it aint never gonna stop
We eternal, passed the earthly bullshit (who!))
Dogs on another level, can you feel this?
It's Twiztid, Blaze, and ICP
And if you fuckin' wit' my dawgs, boy you D-I-E!

[Violent J:]
If it wasn't for Shaggy my shirt would still be baggy
I wouldn't be fat, I'd still be hungry and crabby

We used to buy our own records at the stores
So they would think it's a hot seller, and order more
But we built a team killers with the same dream
We couldn't reach the top, we'd stay B level like Charlie
Sheen
We finally realized we will always have the juggalos
I'll never give another second, to them other hoes

(Chorus x2)

Lotus
Lotus
Lotus
Lotus
Lotus
Lotus

And they wanted to know if I would trade 10 juggalos
for a 100 mainstream fans And I said I wouldn't trade
10 juggalos for a 100, 000 mainstream fans 10
juggalos is priceless to me

(Chorus x2 repeats and fades out until song ends)
