I can see the earth startin to shift, inside out, no trace of the moon since the face burnt out, watch the rain fall down, hard and heavy dark black like dirt but it will burn severely you can call it the body of the lotus, hand of the magical super unnatural keepin you focused if the rain didn't get then you're here for a reason to spread to the world that the pod is in season, you can hear the thunder clap the full moon gleamin like the eyes of a cat the dark lotus is back bitch and you can feel ground pulsatin, and all the haters start hatin but it's all been antisipated and we've been waitin till the time is right to get to bombin on you bitches who misguided the light, and anybody who don't get it get the fuck outa sight bitch i aint explainin i'm just clamin your life bitch
chorus: These black rain drops keep falling down you can tell theres something going on take a look around these black rain drops keep falling down arms spreadin to the lotus cross holdin it down these black rain drops keep fallin down and i don't know why...why, these black rain drops keep falin down and i may never know why...know why I'll stick a runnin chainsaw blade all down ya throat fuckin out of your ass. i'll cut your body in half i gotta be bloody need somedody's blood on my body need to be the bloodiest bloody like buddies and hotties i'm bout to murder...for...the...lotus...black...rainin...falls...upon...us,and i don't need no more therepy i know who i am and i don't like a blade through your brain through your KABLAAM!!!! alone speakin with a head of a raven he sat there and told me why my lifes worth savin so i shot'em in the face then i shot myself after we said that there tryin to turn the kingdom into hell i was apled put his head in my burlapsack and just then black rain hit me in the back ice cold rain drops that looked like black blood fallin all over the neighborhood and here it comes now ~chorus~ A New age a new time now that the planets are aligned there matchin the lotus sign there matchin the the broken minds just waitin to refix with the petals of the lotus you can answer all that shit we the unstoppable force all you haters of course armed with the fury in the family is a power source, makin red clouds filled with black rain soda untill they

become to heavy and burst and not show up maby your
stupid ass ain't heard it's a pod little bitch and we back
like a message bird lift your chain face to the skys
black rain palms out to dis thing and let your sodi drain
we don't give a fuck like it or not load us up in the
mirror shots in all juggalo spots i'll put a satin in them
little blade pieces 'cause when we out the black rain
increases ~chorus~
