When the sinners left their broken homes  
When the land was black and lost  
Orphan angels (were) spreading broken wings  
And the seas' eternal frost

The kingdom of the world  
Is the last one to return

Behold the kingdom  
Behold the land  
Behold the kingdom  
And save the man

When the pilgrims left their burnt-out homes  
Facing seas and black horizons  
The last supper was a meagre meal  
And every footstep is denial

We are the children of the world  
Everlasting was our search  
The kingdom of the world  
Is the last one to return

Behold the kingdom  
Behold the land  
Behold the kingdom  
And save the man

[Solo: Ross]

We are the children of the world  
Everlasting was our search  
The kingdom of the world  
Is the last one to return

Behold the kingdom  
Behold the land  
Behold the kingdom  
And save the man  
Behold the kingdom  
Behold the land  
Just behold the kingdom

Until the ending of the world  
Behold the kingdom
