And so one day  
My life will be gone  
Guard my soul  
Immortal Son

A life is short so you'd better seize the day  
Leave a mark, have an echo remain  
Hear my words as I look into your eyes:  
When the day has come a soul is said to fly

I've made my way and I tried to take the world  
After all I have always kept my word  
I bid you: Take my soul and never let it loose  
For it will guide your way on any path you'll choose

Rise -- rise -- rise -- rise

And so one day  
My life will be gone  
Guard my soul  
Immortal Son

It may take a lifetime to find out the truth  
The eternal wisdom of elder and youth  
I might have dreamed for ages but I can clearly see  
We're bonded forever by the blood in you and me

[Licks: RTB]

[Solo: RTB+Fux]

Rise -- rise -- rise -- rise

And so one day  
My life will be gone  
Guard my soul  
Immortal Son
