Isolation onward bound
I turn to see the northern lights
Behind the wing
Horizon turns to black
Me and my window
Afraid
Dark clouds surrounding me
Horrible awakening
What did I see
Horizon turns black
I'm on my window
It's all so real
Schizophrenia is crawling near
Soldiers marching
Through the streets
Another victim is all they need
Feeling.....
I never left my room
Since Jan Pallach is dead
He burnt himself to death
A kind of his protest
Against the soviet troops
March into the land
Sorry man I was not there
To give you my hand
He could not live no more
'Cause freedom means war
I myself prefer to.....
In between four walls
I feel so insecure
I feel so afraid
I wish I could live
In a world of PSYCHO II
Where everything is real
And all is so untrue
Soldiers are dying in the streets
The blood is all I need
Feeling.....
Should I leave my room
Should I try to kill a cop
Or should I burn myself to death

I better do it not
In between four walls
I feel so insecure
I feel so.....
Afraid
Obey
Afraid
