Hi faces
Up in a ground
I am slave of nameless sound
I want to spit on you for right
I am manchild
Hallo you
Most you do
You are blind I know it's true
I want to spit on you for right
I am manchild
How could we ever act again
How could we ever play a game
I want to spit on you for right
I am manchild
Hallo you
Most you do
You are blind I know it's true
I want to spit on you for right
I am manchild
You're chasing apart
'cause my sanity is whatever will be
I'm the frigid god
Since you know what happens
Forever will beat it
Avoid to deal in your shit
Avoid to drop in whit it
Your life goes on
Your love is breaking down
.....
Avoid you guys in a bliss
Avoid you flys on a list
Greed is not avoid
You said hi lord
Tangle with your word
But I'm the frigid god
Since you know what happens
Forever you feel it
Avoid.....
Mean'n'pissed
You can not profit
'cause I'm your gist

Shine on dude go this way
