Hey shine on dude
This is a state of mind
You once knew
But it's you
I am the gist
I'm the calling one
I tell you all what's up to you
I follow you
I am a friend no foe
I push you what to do
But you hear nothing 'cause you don't know
What is true
Sail on
Sail on
Keep sailing on
I appear some kind of enemy
When you start growing wrong
But hate is not the answer
No promise has been told
In diaries of madness
More men are too unfold
Look inside you brother
Look inside
Who cares 'bout all but me
I have now frequency
If I should dare or not
I tell you all truth 'till you learn
You're not
I help in misery
I climb your angry
If you should care or not
I am forever
May I kick your bot
God's not dead
I tick inside
Up to your head
You've got to be
Intend to grow
You live your life
But anyhow
For you my friend I'll be your fellow

'n'your brother to your end
Cast your stench
Taste your inner scene in a cold world
So stupid to be
