I'm just afraid of that
I dealt with it before
I'm not dwelling on
I use my life for more
Can't tell you
Cause it suck a bore
Thought construction
For you what I ignore
Hey I'm not pleased with
What is done before
Contracts of senile
Send tiger bombs on you
A crucial life time
I wonder where I've been
Hoot ordinary you wire
I don't know what it's like
When the bliss's on you
The way back home seems like a better rage sailing on
A fish trap snaps to
Walk on air
One thing I do my fear
High as we know
And I?
That you came to me
With a smile
You said
Take off your shirt for a while
I said I'm
I wont no cover
Don't want no sexual lover
I don't want it
I don't want it now
I don't want it
I don't fucking want it
