She would never say where she came from
Yesterday don't matter
Now it's gone
When the sun is bright or
In the darkest night
No one knows, she comes and goes

Goodbye, Ruby Tuesday
Who could hang a name on you?
When you change with every new day
Still I'm gonna miss you

Don't question her why
She needs to be so free
She'll tell you it's the only way to be
She just can't be chained
To the world where nothings gained
And nothing's lost at such a cost

Goodbye, Ruby Tuesday
Who could hang a name on you?
When you change with every new day
Still I'm gonna miss you

There's no time to lose, I heard her say
Catch your dreams before they slip away
Dying all the time, lose your dreams
You will lose your mind,
Ain't life unkind?

Goodbye, Ruby Tuesday
Who could hang a name on you?
When you change with every new day
Still I'm gonna miss you

Goodbye, Ruby Tuesday
Who could hang a name on you?
When you change with every new day
Still I'm gonna miss you

Still I'm gonna miss you
