

## Rotary Connection "The Sea & She"

Visit "[The Sea & She](#)" on MotoLyrics.com

Ah, ah, ah, ah, ah, ah, ah, ah  
Ahhhhhh, ahhhhhhh  
Ahhhhhh, ahhhhhhh  
Ahhhhhh, ahhhhhhh, ahhhhhhhhhhhhhhhhhh  
Ahhhhhhhhhhhhhhhh  
La, la, la-la-la

The sea is cold and it's so dark  
And there's no light to guide you  
You turn your head and you'll find that she said  
How nice it was just to know you  
You walk the sand and you searched your hand  
For something to remind you

You think of her and how she smiled  
The way your stars will glisten  
Ha! Her laugh would roll, waves have tucked away  
Owwwww, and the moon would stop just to listen, yes  
But now she's gone, does life go on?  
Is it not worth the living?  
Is it just not worth the living?  
Solo and a little afraid  
To face the day

Ah, ah, ah, ah, ah, ah, ah, ah  
Ahhhhhh, ahhhhhhh  
Ahhhhhh, ahhhhhhh  
Ahhhhhh, ahhhhhhh, ahhhhhhhhhhhhhhhhhh

But as you think the sky turns pink  
Was the streaks of red and yellow  
The water shines, it just like sparkling wine  
The time for tears are over  
The cloud line cuts just like a knife  
The dawn and all of it's wonders  
The dawn and all of it's wonders  
Owwwwwwwwww-owww  
I'm talking about the dawn this morning  
Ooh, oooooooh-ooh  
Oh, I'm talking about the dawn  
Oh Lord, oh, owwwwwwww-oww
