(Barnes/Perry)

You say you know all about life
And that you know why all the lights are turned on
Well if you're my friend, don't keep me in the darkness
Silently waiting the dawn

Turn me on
I want to know what it's all about
Turn me on
Tell me of love, speak about

You claim your wisdom is wide as the keychain
That hangs from the breast of a king
Well I'm just a pilgrim, a one night event
A good and a worthy young man

Turn me on
I want to know what it's all bout
Turn me on
Tell me of love, speak about

Mention the people who've gone on before me
There's happiness growing at heart
And would I be welcome if I were to mention
To visit or follow a star

Ah, turn me on
I want to know what it's all about
Turn me on
Tell me about, speak about
Turn me on
I want to know what it's all about
Turn me on
Tell me about, speak about
Turn me on
I want to know what it's all about
Turn me on
Tell me about, speak about
