On the stage I'm in a rage

But you I never fool

Well I can rock with anyone

But never alone with you

Somethin' starts a barkin'

Now deep inside of me

I need a classy woman

To knock me off my feet

(chorus)

Shyboy, shyboy, shyboy, shyboy

Shyboy, shyboy, give it one more time boy

Shyboy, shyboy, shyboy, shyboy

Shyboy, shyboy, give it one more time boy

Oh, you make me nervous

More than I had planned

Would you wanna know me

If I wasn't in the band

Crazy feelings

Deep inside of me

I need a wild woman

To knock me off my feet

(chorus)

Gotta keep things moving

Till my personality starts improving

(chorus)

Gotta keep things moving

Till my personality starts improving

(chorus
