Talk about meanwhile

Back at the ranch

The ugly duckings

Learn to dance

Sppirits risin

Mihgt be more...

Gonna blow this whole town

Out the back door

Gibe 'em hell tonight

Go west young man? Aww rite!!

We'll burn the bridges if we please

Or forever you can hold my peace...

Alittle taste I can't stop

Tastes as sweet as soda pop

All dressed up and

Ready for the top!

Yes, I

Got to have it

Got to have it

Got to have it

And that's my bottom line...!!

You wanna feel 100 proof?  
I got news for you!!!  
I seen some folks fall  
And a couple fly  
And some of them just dies  
Ain't nothing's once upon a time  
Got a rosy future, and a big behind  
Might get lucky  
Never mind  
I hear beginners do it  
All the time!!  
Yes, I  
Got to have it  
Got to have it  
Got to have it  
And that's my bottom line.
