I was born in a trunk
Mama died and my daddy got drunk
Left me here to die alone
In the middle of Tobacco road
Growin' up, rusty shack
All I had was hangin' from my back
Only you know how love
This place called Tobacco road
(chorus)
But it's home
The only life I've ever known
Only you know how I love
Tobacco road
Gonna leave, get a job
With the help and the grace from above
Save some money, get rich and old
Bring it back to Tobacco road
(chorus)
Let's get it on
Tobacco road
Bring that dynamite and a crane

Blow it up, start all over again

Build a town be proud to show

Give the name Tobacco road
