(Intro)

What?

Well let me roll up onto the sidewalk and take a look at her.

WoAh! She's beautiful! I'm talkin about a yankee rose!  
And she looks wild...wild...wild...WILD!

Are you ready for the new sensation?

Well here's a shot around the world!

All you backroom boys salute, when her flag unfolds!

Well guess who's back in circulation...

Now I don't know what you may have heard,

But what I need right now is the original, good time girl!

(Chorus)

She's a vision from coast to coast (coast to coast)

Sea to shining sea (sea to shining sea)

Hey sister your the perfect host (make a toast)

Show me your BRIGHT LIGHTS and your CITY LIGHTS  
alright,

I'm talkin bout the yankee rose!

BRIGHT LIGHTS and your CITY LIGHTS alright! I'M

TALKIN 'BOUT IT!

When she walks watch the sparks go fly, fire crackin'  
on the 4th of July!

No sad songs tonight, something's in the air! (You can  
feel it getcha!)

A real state of independence, so pretty when her  
rockets flare!

Still provin' every night that her flag's still there!

(Chorus)

She's a vison from coast to coast (coast to coast)

Sea to shining sea (sea to shining sea)

Hey siter your the perfect host (make a toast)

Show me your BRIGHT LIGHTS and your CITY LIGHTS  
alright.

I'm talkin bout the yankee rose!

BRIGHT LIGHTS and your CITY LIGHTS alright!

I'm in love with the yankee rose

Ahh...she's beautiful alright, mmm nothin' like her in  
the whole world

She's on time, I'm on the case, pick up the phone, no  
time to waste  
She got the beat, and there's a little bit a comin' your  
way!

Ahhh raise 'em up there, let's see who salutes baby  
Yeah, yeah, yeah, yeah, yeah, little bit, little bit, little bit  
higher.  
Here's the mast, swing her from here, yeah  
I wanna get a little bit of apple pie!

BRIGHT LIGHTS, CITY LIGHTS! (repeat)
