My sorrow is like
Leaves flying in the air
When the wind strikes
Blowing everywhere
And i can't stay living in this tearful valley
So i just pray for having all the force
To be a stream leading it's course
Flowing up to it's source

[Bridge I:]
But my love is for the only light
But my heart goes on standing right

[Chorus:]
If I could flee
From my sorry thoughts
Like the rivers running slope down at last to be free
When i see
Lovers who can dream
With sweet fancies that will never be
A truth for me

Nobody can live
Twice in just one time
Neither can give
Twice love in it's prime
But can't prevent feeling to surrender to love
So I feel myself prisoner of sin
When I give to the earth my skin
And my soul to the wind

[Bridge II:]
But my love is keeping watch the night
But my heart cries the eternal fight

[Chorus]

[Bridge I]

[Chorus]
