You don't lie, you don't fight
Don't people see the light
You don't gaze the mean face
Don't try to pray

Just to save your illusions
To save your shame
Now your life is impregnated of blame

Please help me, or kill me
But don't bury my soul
I'm dreaming, i'm screaming
Full of grief
I'll be condemned without mercy
Without a soul
Buy i've a nice hope

[Chorus]
The wind in my hair
The sun under my veil
I'll go though
The road is hard and long
Thousand of questions
And only one answer
My anger is in the heart of stone

I'm sneaking, I'm Creeping
I'm needing all my faith

I'm sinning i'm learning
Full of grief
I'll be condemned without mercy
Without a soul
Buy i've a nice hope

[Chorus]

Don't hit me, don't save me
What is my destiny?
I'm sighing, i'm crying
Full of grief

I'll be condemned without mercy
Without a soul
Buy i've a nice hope

[Chorus]
