Spell

Feeling Bewitched By A Dream

Dream Has Been Changing For Time

After

The Time Has Shown Me The Mistake

Mistake Of A Liar

Now

Trapped Of This Life Without A Light

Into Myprayers

More Forever Lost, Lost Among The Shades

I've Never Found The Way

Never Turning Back

Forever, Deciver, Betrayer

Look Into My Eyes, Seeing A Silent Storm.

Why?

Why Only Once I've Seen The Sun

Tears Down The Clouds

Now The Dark Lunacy Surrounds My Dome:

Faster

Falling In The Vault Of Disastre

Rain Keep On Falling

Glory

Forgetting The Love In My Self

For A Day Of Glory

More Forever Lost, Lost Among The Shades

I've Never Found The Way

Never Turning Back

Forever, Deciver, Betrayer

Look Into My Eyes, Seeing A Silent Storm.

Lost In Mind

Of A Morning Lorn

I'm Waiting For, Like A Silent Swan

The First Snow, Begins To Fall

I Will Cry, Cry Your Name, Cry...

I Can't See Your Vacant Soul
Can You Feel My Flying Prayers ?
The Wings Of Night
Embrace My Shadow
Now I Wish You May Feel My Sight, Sight
And Now Take My Cry.
