I'm just sitting around wasteing time a way  
And even if I wanted to  
I can go outside  
There ain't nothing to do  
OOOhhhhh  
I think I'll write a letter home  
Telling everybody that I'm happy alone  
And maybe if I pay the role  
I roll myself into a big black hole  
I can roll myself on down the line  
Telling everybody that I'm just fine  
My troubled mind I can't confined  
That we are all the same inside  
Inside, inside, inside  
I've been thinking about my frineds  
Saying they'll be with be to the bitter end  
I , don't know how I get that far  
When I don't even know who the hell they are  
I can roll myself on down the line  
Telling everybody that I'm just fine  
My troubled mind I can't confined  
That we are all the same inside  
Inside, inside, inside  
I can roll myself on down the line  
Telling everybody that I'm just fine  
My troubled mind I can't confined  
That we are all the same inside  
I can roll myself on down the line  
Telling everybody that I'm just fine  
My troubled mind I can't confined  
That we are all the same inside
