I'm messin' around
Don't care 'bout time
Since the day You're not here around
I know that it was my mistake
And I'm the one who will take the blame

Here it comes right now

Here it comes the chase
For all and nothing
Like one big disgrace
I'm fallin' down and
I hope that someday
You'll find someone
Sorry but now I'm chillin' out

Another try - another trap
I can't get myself to fix it up
Another day, it's now quite alright
I feel like goddamned retarded knight

Here it comes right now
Here it comes right... (Here it comes right now!)

Here it comes the chase
For all and nothing
Like one big disgrace
I'm fallin' down and
I hope that someday
You'll find someone
Sorry but now I'm chillin' out

Here it comes the chase
For all and nothing
Like one big disgrace
I'm fallin' down and
I hope that someday
You'll find someone
Sorry but now I'm chillin' out
I hope that someday
You'll find someone
Sorry but now I'm chillin' out
