When She doesn't want to spread her legs
Sometimes they torture our brains
Maybe it's a gift to change Your life today

It's not a fake it's real You see that
Just like flying between erotic thoughts
So if You fall in love - be careful
It can really kick Your ass!

Don't leave me in this hole
Don't keep me waiting like a fool
I suffer from Your perfect beauty
Drowned in the sea of dilemmas
Wake me up and give me Your hand
Close Your eyes and see us in the marvellous land
Anything but love - true love

When You feel that Your life is gone
Drop Your mind and surrender to bliss
Which is just wham-bam in the middle of the night

Hearing whispers when light is off
Though she keeps her ass away
You try to cheat Yourself and melt with her

Like an insect with tied wings
Who can't fly into her nest
Thinking about it all the time

Another crazy situation
When naked feelings surround Your head
Maybe today You gonna catch the 'G' inside her 'P'

Don't leave me in this hole
Don't keep me waiting like a fool
I suffer from Your perfect beauty
Drowned in the sea of dilemmas
Wake me up and give me Your hand
Close Your eyes and see us in the marvellous land
Anything but love - true love

Don't leave me in this hole

Don't keep me waiting like a fool
I suffer from Your perfect beauty
Drowned in the sea of dilemmas
Wake me up and give me Your hand
Close Your eyes and see us in the marvellous land
Anything but love - true love
