I don't know what to say about
About Your tongue stucked in my mouth
Don't even try to do these things again
(it's so elastic, it's so disgusting!)

Don't think I'm lazy
Anyway You're amazing
But You're too high for me
Baby can't You see?
I'm not that guy You want me to be

...want me to be...

I'm so scared since the day that I met You
I've got to run but there's no way that I can get to
Why do You always follow my back?
Never again, it's enough

You've got a shirt with a stupid logo
No way I'm not a motherfuckin' homo
Then You sit down and put hands into my pants
(kissy, lick, dicky, prick, prick, dicky, kiss, lick)
Don't think I'm lazy
Anyway You're amazing
But You're too high for me
Baby can't You see?
I'm not that guy You want me to be

...want me to be...

I'm so scared since the day that I met You
I've got to run but there's no way that I can get to
Why do You always follow my back?
Never again, it's enough

I'm so scared since the day that I met You (he's scared
since the day

he met her)
I've got to run but there's no way that I can get to
Why do You always follow my back? (he don't know
where to make for)

Never again, it's enough
