When I wake up and when I open my eyes
When I turn around I see Your face so far away

I've got another and another thoughts
I really don't know where to go
One day doing all the same
I'll get a grip on myself

Anyway, i'm not afraid
You and I - it's like a game
Let it go, seize the day
here we are now still the same

Anyway, i'm not afraid
I know that nothing is gonna change
Let it go, seize the day
here we are now still the same

Ordinary way, I feel like a downright idiot again
Fucking all the reasons which have brought me where I
am
Hanging on
All is crashing around me
I'm starting to fall into this empty hole

I take another and another shot
Spinning head - this is all I've got
One day doing all the same
I'll get a grip on myself

Anyway, i'm not afraid
You and I - it's like a game
Let it go, seize the day
here we are now still the same

Anyway, i'm not afraid
I know that nothing is gonna change
Let it go, seize the day
here we are now still the same
