"Out of my way, punk. Now looky here."

How many roads must I travel  
And how many mountains must I climb  
These hard times, yeah  
Well they've been my only friend  
I keep lookin' for private eyes

Now people say I'm a drifter  
Driftin' my life away  
Someday I'll find  
A little peace of mind, yeah  
And shake these blues away

That's why they call me double trouble  
Twice as bad, double trouble  
I'm so bad

Now you say I'm mean and I'm useless  
You say I'm evi and ruthless  
You say I'm wrong  
When nothin' ain't right, yeah  
If you're lookin' for trouble  
Get ready to fight

You know what makes me so angry  
You know what makes me so mad  
You know what makes me nasty  
You know what makes me so bad

That's why they call me double trouble  
Twice as bad, double trouble  
I'm so bad

Chorus:  
They call me double trouble  
Twice as bad  
Yeah this big bad wolf's  
Gonna blow your house down

Look out

You got to get 'em  
Before they get you  
That first punch always wins the fight  
You got to hit 'em  
When they least expect it  
And knock 'em down to size

That's why they call me double trouble  
Twice as bad, double trouble  
Yeah yeah

Repeat Chorus

If you're lookin' for trouble  
If you're lookin' to fight  
You can call me double trouble  
I'm ready tonight  
Double trouble  
Oh yeah call me double trouble  
You gotta keep on playin'  
Keep on, keep on doin' it..
