So everybody start your engines, yeah  
It's time to get ready to go  
Everybody everywhere  
Tonight we're gonna rock 'n' roll  
All the way to New York City, oh yeah  
Even all the way to L.A.  
Everybody everywhere  
Is rockin' in the USA

Chorus:  
Welcome to  
The stars and stripes tonight  
We were all born here  
To rock, rock, rock, USA  
Rock, rock, rock, USA

Tonight we're gonna throw out all the stops  
Tonight we're gonna have some fun  
So kick off your shoes  
Kick out the blues tonight  
They never let 'em rock in Russia  
They don't allow it at all  
Say can you see  
We were rockin' at the Berlin Wall

Repeat Chorus

Rock, rock, rock, USA  
Rock, rock, rock, USA  
Rock, rock, rock  
Rock, rock, rock  
Rock, rock, rock, rock, USA (Repeat)

Start those engines, yeah  
Get ready to roll  
Tonight we're gonna rock 'n' roll
