The best of your years
With the blood, sweat and tears
You find yourself gettin' by
And the best it seems
Well it's all in your dreams
So dream on and on
Dream on, dream on, dream on
Yeah on and on

When you're caught in the middle
And you're caught up in a game
Of too much love and too much hate
Too much too soon
Too little too late
It's not too late to start again, so

Chorus:
Take a chance
It's now or never
Take a chance
You can wait for heaven
Take a chance
It's now or never

But I can't wait forever

When you're young at heart
But too old to change
Just take a chance and make a change
Yesterday's gone
But life goes on
It's not the end of the world, so

Repeat Chorus

I can't wait forever
Oh take a chance, oh take a chance
A chance, oh a chance

Take a chance, yeah

Repeat Chorus

You can't wait forever
And I can't wait forever
And nothing will last forever
