"Junior, will you turn down the radio! Junior, turn it down!" "But Dad, I can't feel the music!" "Turn it down before you blow the speakers."

Time after time Let the show begin It's time to party down again High voltage music Let it be loud Heavy metal thunder Break up in the clouds Shake the heavens And tear at the ground Turn up the dials Crank out the sounds

Chorus: Play the music Play it loud Play rock 'n' roll To please the crowd

2nd Chorus: Play the music We like it loud We play the music To rock the crowd

"Mom, do I have to turn it down? Why, 'cause Dad said so?"

Risin' power Comin' for the kill And the radio was playin' We know you will Rock 'n' roll Is here to stay Our music's here Yeah it's here today So keep the spirit And rock the soul

'Cause nothin' else matters But rock 'n' roll

Repeat Chorus Repeat 2nd Chorus

3rd Chorus Play the music We like it loud We play the music We like it loud

Play the music Play the music

Repeat 2nd Chorus Repeat 3rd Chorus 2x

We rock the crowd We like it loud
