ta marre gruen shkodrane
goj e embell si sheqeri
ta marre gruen nga fieri

the man singing (in the south, "plifonik" singing is very popular in Albania among men and women, this adds southern flavour to turbo popullore songs from Poni, Rovena, Nertila Vreto etc. I don't know that man's name however, he may be Nazif Cela, who also sang and appeared in Nertila Vreto's video - Lala Gjoni (Amerikes si ja kaloni).
