Don't you get tired of always
Making the same mistakes
You'll drink to your death my darling
Someday you are going to break

Creating your own sob stories
And making your own disasters
God knows how it used to haunt me
But now I am so much stronger

(Chorus X2)
Don't you get tired?
Don't you get tired?
Don't you get tired?
Don't you get tired?

You try to tell me
That you're just fine
But darling honestly,
Do you think I'm blind?

And it pains me so
To have to let you go
But to live my life
I've got to do what's right

(Chorus X2)
Don't you get tired?
Don't you get tired?
Don't you get tired?
Don't you get tired?

You say on Monday
You're feeling strong,
But by Tuesday,
You're falling down

I can't stand for this,
I can't watch
The whole things pointless
And it brings me down
And it brings me down

Don't you get tired of always
Making the same mistakes
You'll drink to your death my darling
Someday you are going to break

Creating your own sob stories
And making your own disasters
God knows how it used to haunt me
But now I am so much, stronger

(Chorus X2)
Don't you get tired?
Don't you get tired?
Don't you get tired?
Don't you get tired?
