Life for revenge!

I have survived for my iron will  
And for a reason I just can see  
Although I feel myself sad and ill  
Dark thoughts encourage me to get me free

I need my life  
Just for revenge  
Its worth is only in the justice it makes  
Life to avenge  
Life to perform a fake

In the dead shape  
I escape  
To fulfill my duty  
(To) fake my false friends  
To their end  
Damning my wife's beauty  
Changing my name  
I proclaim  
With a manifesto  
That from this time  
For good I'm  
Count of Montecristo

Life which is doom  
Coming out the tomb  
Which has been fed  
With the obsession bread  
It's a rebirth  
To fulfill the vengeance before leaving the earth
